Dear Sir/Madam:

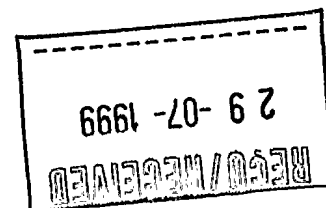

Take notice that the Council of the Corporation of the Township of Centre Wellington intends to designate the property, including lands and buildings, at the following municipal address as property of architectural and/or historical value or interest under Part IV of the Ontario Heritage Act, R.S.O. 1990 (Ch.O.18, Sec. 23)

260 Bridge Street, former Town of Fergus

Reasons for Designation:

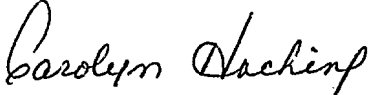

This residential building dating from the late nineteenth century represents a particular style of Victorian architecture common to the Fergus-Elora area. The major exterior material is red brick with yellow brick lintels. The front porch, probably a later addition, was handled in an architecturally sympathetic manner. The window frames and sashes are the original wood and there is an unusual half-round wood trim applied to the wall below the eaves and gables. The bay window is worth noting. The fretwork on the gable ends is pleasingly unostentatious. The house has a very well-proportioned façade and it is conspicuous in its neighbourhood.

file.

Notice of objection to the proposed designation, together with a statement of the reasons for the objection and all relevant facts may be served on the Clerk of the Township of Centre Wellington before the 27th day of August, 1999.

Dated at the Township of Centre Wellington this 28th day of July, 1999.

Carolyn Hacking, A.M.C.T.
Clerk
