In the matter of The Ontario Heritage Act, 1974, S.O. Chapter 122.  
And in the matter of the lands and premises known municipally as  
Griffin House in the Town of Goderich in the  
Province of Ontario.

NOTICE OF INTENTION TO DESIGNATE

TO:

133 St. George's Crescent  
Goderich, Ontario

Ontario Heritage Foundation

Take notice that the Council of the Corporation of the Town  
of Goderich, on the 13th day of July 19 81  
decided to designate the lands and buildings, known  
municipally as Griffin House as a property of  
architectural and/or historical significance under The  
Ontario Heritage Act, 1974, S.O. Chapter 122.

REASON FOR PROPOSED DESIGNATION

"The Griffin House." The Griffin House has been proposed for  
designation for architectural reasons. The home is a fine example  
of the popular asymmetrical plan Gothic Revival house of the 1850's  
through 80's. In this case the plan is a T formation. Timber  
construction is sheathed by ashlar imitation stone block. Other  
fine wood details include an intricate bargeboard at gable ends, a  
decorative cornice around the top of the bay window, adorned by a  
decorative railing. Most of the remaining windows have a pedimentry  
treatment. The familiar pattern of rectangular side and transom  
lites grace the entranceway. In fine condition, inside and out,  
this house is worthy of historical designation.

Notice of objection to the designation may be served on the  
Town Clerk within thirty days of the 15th day of July  
19 81.

Dated at Goderich, Ontario this 14th day of July 19 81

Signed
