SCHEDULE "B"

Reasons for the designation of the Property at No. 68 Riverdale Avenue.

The property at No. 68 Riverdale Avenue (Jefferies House - 1885) is designated on architectural grounds. The one and one-half storey brick house was built in 1885 for William Jefferies, a furrier. The building is distinctive for its decorative features which include polychromatic brickwork with brick key-stones in the arches above the door and bay windows, and brick quoins. The arched dormer windows in the mansard roof have projecting decorative wood trim, done in the manner typical of the period. The residence is a good example of residential development in the 1880's and is one of the earliest remaining houses in the area.
