Ontario Heritage Foundation.

Take notice that the Council of the Corporation  
of the City of Toronto, on the 21st day of May, 1985  
decided to designate the lands and buildings known  
municipally as 459 and 461 Sackville Street as a  
property of architectural value or interest, under the  
Ontario Heritage Act, R.S.O. 1980, Chapter 337.

Short Statement of Reasons for the Proposed Designation

The property at 459, 461 Sackville Street is recommended  
for designation for architectural reasons. The poly-  
chromatic brick building is representative of the typical  
neighbourhood corner store of the late 19th century. When  
built in 1888, the simple house form building included two  
stores, one for a grocer and the other for a butcher with  
residential accommodations above. The storefront glazing  
and full canopy distinguish it from the neighbouring houses.  
The L-shaped porch with wood posts and decorative treillage  
forming the canopy is unique in the City and a prominent  
local landmark.]

Notice of Objection to the designation may be  
served on the Clerk within thirty days of the 4th  
day of June, 1985.

Dated at Toronto this 4th day of June, 1985.
