**SCHEDULE "B" TO BY-LAW No. 301-1998****REASONS FOR THE DESIGNATION OF THE "MALVERN PRIMITIVE METHODIST CEMETERY".**

Malvern Primitive Methodist Cemetery is recommended for designation for historic reasons.

The site was the location of the only church structure to serve Scarborough's early settlers in the crossroad community known as Malvern. Built in 1864, the frame Methodist Church was demolished in 1975 and only the stone memorials located in the church cemetery remain as reminders of those who lived and worked in what was once the thriving community of Malvern.

The cemetery is closed to future interments and includes only a small number of graves. However, the remaining monuments are memorials to the pioneers of Malvern village including members of the Badgerow, Burton, Ormerod, Pearson and Robbins families.

Because no church remains on the vacant site and there is little else remaining of old Malvern village, the cemetery is recommended for designation for historic reasons.
