REASONS FOR DESIGNATION

**Cultural Heritage Value**

140 Hatt Street possesses cultural heritage value, expressed in historical associations with the early development of Dundas and its association with William Kyle, owner and occupant, who worked as a skilled patternmaker for the Gartshore Foundry. The residence located on this property also has architectural value as an example of a one-and-a-half storey, vernacular interpretation of the Georgian architectural style. The house is also a rare surviving example of Pre-Confederation brick construction.

The Reasons for Designation apply to all elevations and the roof of the residence including all façades, entranceways, windows and chimneys, together with construction materials of brick, wood and glazing, building techniques, and specific interior features as follows:

Front (North) Façade:

- Symmetrical facade of five bays;
- Roof and roofline;
- six-over-six windows together with the openings, wood framing, sills, voussoirs, muntins and glazing;
- red brick laid in a Flemish bond; and,
- box cornice and moulded wood fascia.

Side (West) Elevation:

- Side gable together with brick parapets and double brick chimneys;
- window openings together with wood sills and brick voussoirs; and,
- red brick laid in a Common bond.

Rear (South) Elevation:

- Window openings together with wood sills and brick voussoirs; and,
- red brick laid in a Common bond.

Side (East) Elevation:

- Side gable together with brick parapets and double brick chimneys; and,
- red brick laid in a Common bond.

Interior:

- Fireplaces together with wood mantles, hearths and ring for hanging cooking pots;
- built-in cupboards with wood panelled doors in the living room;
- wide plank pine flooring on the first and second floor;
- wood doors on the first and second floor; and,
- closet staircase on the first floor between the living room and kitchen.
