THE VILLAGE OF FLESHERTON IN THE MATTER  
OF THE ONTARIO HERITAGE ACT R.S.O.  
1980 CHAPTER 337 AND IN THE  
MATTER OF THE FORMER 'MUNSHAW' HOUSE  
1 TORONTO STREET  
IN THE VILLAGE OF FLESHERTON  
AND IN THE PROVINCE OF ONTARIO

REASONS FOR DESIGNATION

The former Munshaw Hotel, at the main intersection of Collingwood Street and Toronto Street, built in the 1840's, is recommended for designation for Architectural and Historical reasons. It is an excellent example of a rural commercial building of the mid to late nineteenth century utilizing local brick and timber. It occupies one of the most prominent locations in Flesherton and has become a landmark. The building was built by the Village's first settler - Aaron Munshaw. Over the last 140 years the building has been witness to many significant occasions from annual heavy work horse spring exhibitions to accommodating the Village Council and various local organizations at various times. The retention of this building is important to preserving the character of the community.

DATED at FLESHERTON
