**NOTICE OF DESIGNATION OF
161 KING STREET EAST
TO BE OF HISTORICAL AND ARCHITECTURAL VALUE
PURSUANT TO THE PROVISIONS OF
THE ONTARIO HERITAGE ACT R.S.O. 1990, CHAPTER O.18**

TAKE NOTICE that the Council of the Corporation of the Town of Gananoque passed By-law 2005-64 under Section 29 of the Ontario Heritage Act, R.S.O. 1990, Chapter O.18, to designate the building located on Lot 46, Plan 86 East of the Gananoque River, Town of Gananoque, 161 King Street East, also known as the Rogers' House.

The "Rogers' House" is the last remaining residence within the commercial blocks and is unique both for its architecture and its setbacks. It is constructed on the site of the first Roman Catholic Church in Gananoque, using materials salvaged from the original church that occupied the property for some 50 years prior to the construction of the existing house. The property was sold to David H. Rogers in July, 1895. It is a fine example of Queen Anne style residential architecture and the only representative of this style within the commercial core of Gananoque. The complex roof and plan form; the variety of window shapes and the quality and range of materials distinguish this composition. It is the last remaining residence within the commercial blocks unique both for its architecture and setback. It is associated with the locally influential Rogers family. It retains elements recycled from the original Roman Catholic Church which occupied this site for almost 50 years prior to the construction of the Rogers House. The exterior exhibits high integrity having survived to date remarkably intact.

Additional Information, including a full description of the reasons for designation is available upon request from the Planning Approvals Coordinator, John Macdonald at (613) 382-2149, Ext. 126, during regular business hours.
