### SCHEDULE "A"

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the City of Toronto, in the Municipality of Metropolitan Toronto, formerly in the County of York and Province of Ontario, being composed of lot 5 on the west side of Jarvis Street and lot 14 on the north side of Cawthra Square according to a plan registered in the Registry Office for the Registry Division of Toronto as 570.

### SCHEDULE "B"

Reasons for the designation of the G. H. Gooderham House  
at 504 Jarvis Street at Cawthra Square (N.W.)

The G. H. Gooderham House at 504 Jarvis Street at Cawthra Square (NW) built c. 1891 by David Roberts is designated on architectural grounds as a fine example of the Romanesque Revival style as it developed in Toronto. The house is also the work of a Toronto architect of note. It is important in terms of the local streetscape as the southernmost unit of a series of houses between Cawthra Square and Gloucester Street that form the best preserved and perhaps most typical section of the nineteenth century Jarvis Street streetscape.
