          City Hall,  
          Toronto, Ontario.

✓ Ontario Heritage Foundation.

Take notice that the Council of the Corporation of the City of Toronto, on the 23rd day of July, 1979, decided to designate the property known as the St. Andrew's-by-the-Lake Church, Toronto Islands, as a property of architectural and historical value or interest under The Ontario Heritage Act, 1974, 1974 S.O. Chapter 122.

Short Statement of the Reasons for the Proposed Designation:

St. Andrew's-by-the-Lake Church, Toronto Islands. This building is recommended for designation for architectural and historical reasons. Originally built on Lakeshore Avenue, Centre Island, in 1884, this important Church was the work of Architect, A.R. Denison. Enlarged in 1895 it was moved to the present site in 1959. It is a vernacular expression in wood of an English parish church with porch, buttresses, bell cote and some interesting stained glass. There are memorials of historical importance inside. The Right Reverend Arthur Sweatman, when Bishop of Toronto, was responsible for its establishment to serve a congregation of city families who were part of the growing summer community on the Islands when they were developed in the 1880's.

Notice of objection to the designation may be served on the Clerk within thirty days of the 7th day of August, 1979. (File 1829).

DATED at Toronto this 7th day of August, 1979.
