BY-LAW NUMBER 83-143

ALL AND SINGULAR that certain parcel or tract of land and premises, situate, lying and being in the Township of King, in the Regional Municipality of York and being part of Lot 1 in Concession 2, Old Survey, of the Township of King, designated as Part 1 on a plan of survey registered in the Land Registry Office for the Registry Division of York Region (No. 65) as Plan 65R-6301.

APPENDIX TO BY-LAW NUMBER 83-143

REASONS FOR DESIGNATION OF "GLENVILLE METHODIST CHURCH"

Part of Lot 1, Concession 2, Old Survey, Township of King

The building has been designated for historical reasons. Glenville was once a thriving mill-village, a scene of industrial activity. Like other mill-villages in King Township it has lost its mills and the few surviving buildings are a small reminder of a bustling, active past. The church building is one such heritage feature. It was built circa 1859 and actively served the community until services were discontinued in 1952. For the descendants of the original congregation still living in Glenville it is a powerful link with their forbears. The building is a representative example of the many small frame churches which once covered Southern Ontario and, unlike many of the survivors, it retains its original furnishings including the box pews. It is on its original site. It is also a reminder of the importance of the local congregations in the Methodist movement and of their contribution to the religious life of rural Ontario.
