Schedule "A"

The property is described as "Lot 14 E/S Princes St & Pt. Lot 14 W/S Victoria St.  
Geographic Town of Kincardine, Municipality of Kincardine"  
Roll # 41 08 220 002 06800 0000.

The said lands have a site area of 66 feet by 184 feet.

## Schedule "B"

Designation shall cover exterior of the original building to the west, north and south, as shown within marked-up photos in Attachment 1.

The original structure was a large Queen Anne revival free-standing house built about 1896 of brick with sandstone detailing and wood embellishments including a porch and slate roof.

Much of the original structure on the east, south and north sides were physically modified in the mid 20<sup>th</sup> century when an addition was built at the east (back) of the building. The entire interior of the building was also modified during this time. Previously modified areas of the original structure do not fall under Heritage Designation.

Historical Designation area includes the west façade of the original house, including the original porch and part of the north and south sides (as per marked-up photos in Attachment 1).

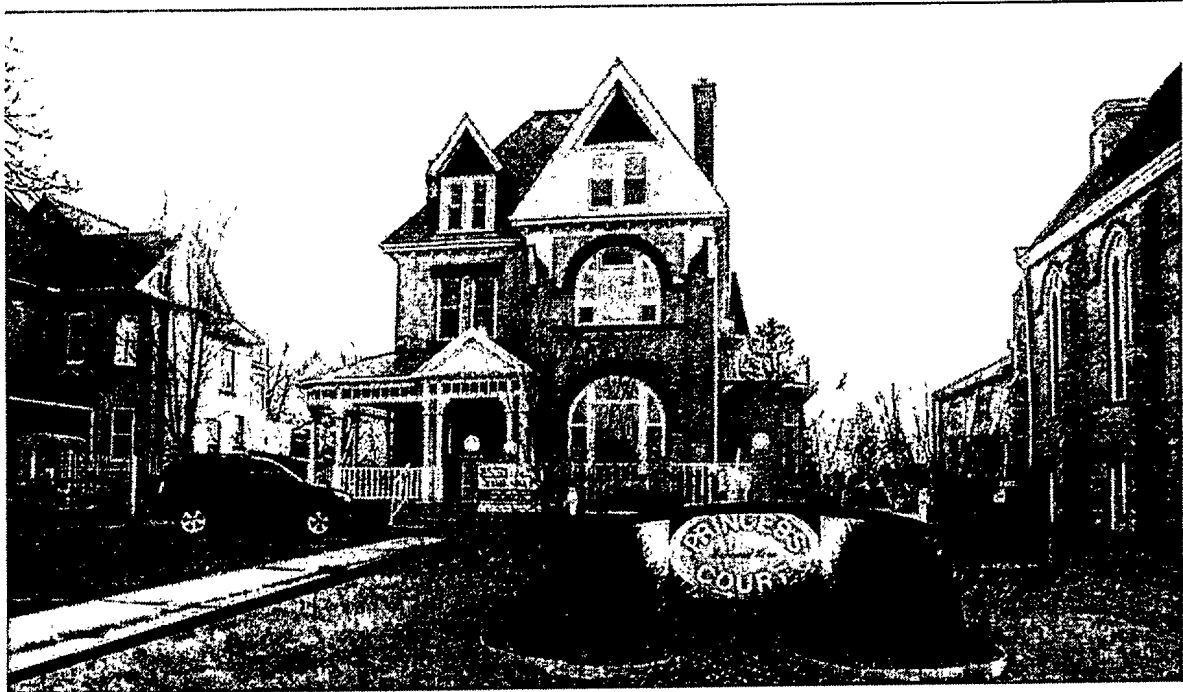

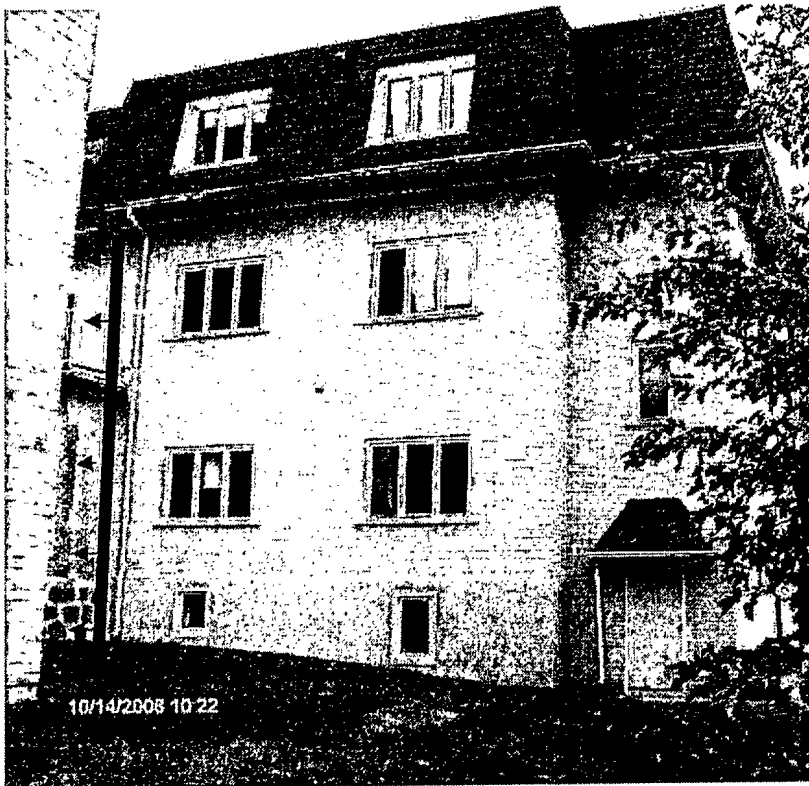

The front lawn of the house, to the west of the house and south of the cement walkway, shall remain undeveloped. Flowerbeds may be developed there.

Repair or restoration work performed on the historical designated area, which is completed with same material and does not change the look of original structure may be performed without prior approval from Heritage Kincardine or the Municipality unless a building permit is required. Should work be completed on the historical designated area that does not use the same material and changes the look of the original structure, the owner will be required to consult with Heritage Kincardine. As a result of that consultation, Heritage Kincardine may inform the owner to properly restore the section of work performed on the historical designation as soon as possible and at the owner's expense. For matters in which the owner does not agree with Heritage Kincardine's direction, the owner may appeal through the Municipality of Kincardine Council.

Areas that do not fall under the Historical Designation area include the driveway, parking lot, posted sign on front lawn, all interior of building, and areas of external façade modified since the mid 20<sup>th</sup> century.
