#### **SCHEDULE "A"**

To By-law No. L.S.P.-3223-413

Part Lot 5 on the south side of Lorne Avenue, Block "R", according to Plan 304A in the City of London and County of Middlesex as in Instrument No. 867744.

#### **SCHEDULE "B"**

To By-law No. L.S.P.-3223-413

This one and a half storey painted brick house is part of a significant streetscape of identical cottages (885-911 Lorne Avenue). This row of once identical buildings remains very similar in design since they were all built in 1902-1903. They are typical turn-of-the-century vernacular cottages with elaborate pediment porches. Each has a front end gable, with decorated bargeboard and shingling.

The house is dominated by a front end gable decorated with shingling and patterned bargeboard. The porch has spindles, a decorated pediment roof, square posts (fluted) and brackets. The arched window is enhanced with a textured voussoir. One corner of each building is chamfered with a window and small decorated overhang. Much of the decorative trim from the porch has been removed. The foundation is composed of rusticated limestone.
