CORPORATION OF THE VILLAGE OF MERRICKVILLE

Schedule "A" to by-law 13-83

Knox Presbyterian Church lot 151 St. Lawrence St.

Knox Presbyterian Church, built in 1861 is recommended for designation for architectural and historical reasons. It is the oldest original church building in the Village. Architecturally it is of interest as it appears to be modelled after earlier churches built of wood. It is built of red brick with a tower of yellow brick, a later addition. The symmetrical facade is centered by the square tower. Windows in each wall, are double arched with pointed Gothic arches. Tower corners have wood finials.

lot 5 St. Lawrence Street East.

This 2½ storey shop built c. 1860 is significant as part of the streetscape of the main business section of the Village. The main building is of rubble stone construction with flat arch stone lintels in a three-bay side hall plan. The upper storey, probably a later addition, is built into the roof.
