THE CORPORATION OF THE TOWN OF COBOURG

BY-LAW NUMBER 29-89

ALL lot 7, Block W, Caddy Plan, south side of King  
Street West in the Town of Cobourg, County of  
Northumberland (formerly Part Lot 19, Concession  
A, Hamilton Township)  
Last Instrument No. 134787

STATEMENT OF REASONS FOR THE PROPOSED DESIGNATION:

This Ontario cottage style house built in 1848 is the only dwelling in Cobourg constructed of cut stone. The central front entrance door has sidelights and is separated from them by very narrow pilasters. The doorway is surrounded by flat trim with a moulded centre and boxed corners.

The front door is flanked on either side by a large rectangular window. The windows are double hung sash with four panes in each window (two over two). Flat radiating arches over the windows are of stone and the lugsills are wood.

The one storey structure has a hip roof with boxed eaves which overhang about two feet. There are nine pairs of plain brackets under the eave. Centred on each side wall of the house is a double flue chimney of brick construction. Over the front door is a wide gable roof dormer with three windows. The centre window with semi-circular head is surrounded by plain trim, and has two paned double hung sash. On either side are somewhat smaller but similar windows. The dormer is of wood construction, and sheathed with narrow clapboards, with corner board trim. The narrow boxed eaves of the dormer surmount a moulded frieze.
