SCHEDULE "B"

STATEMENT OF REASON FOR DESIGNATION

127 Britannia Road is recommended for designation under Part IV of the Ontario Heritage Act for historical and architectural reasons. The house was constructed ca. 1902 when the Britannia area was at the height of its popularity as a summer resort (1900-1914). The first owner, William H. Murphy, was a year-round resident who provided ice and cartage services for the summer community. His family also played a notable role in the community, and his sons, locally known as the Murphy Brothers, constructed this and other architecturally distinguished residences in the area. The vernacular structure with its brick and wood ornamentation in the late-Victorian manner, is distinctive because of its urban character in a former cottage area. The residence is significant for the local environment because its form and site placement reinforce the traditional qualities of the early building stock of Britannia.

This designation does not apply to the interior of the building.
