## IN THE MATTER OF THE ONTARIO HERITAGE ACT

The Corporation of the City of Ottawa on the 20th day of April, 1994, established its intention to designate the following heritage property for its architectural and historical value.

84 Bradford Street, Arbour House

### STATEMENT OF REASON FOR DESIGNATION

Arbour House, 84 Bradford Street, is recommended for designation as being of historical, architectural and contextual significance. Arbour House was constructed in 1892-93, for Dr. E. Stone Wiggins and his wife Susie Anna Wiggins.

Arbour House was one of the earlier year-round residences constructed after the electric street car lines made Britannia Village more accessible and it was developed as a suburb of Ottawa.

It is a good local interpretation of the Queen Anne Revival Style, executed in wood. Characteristics associating Arbour House with this style include the unusual corner tower, high shingled gables with elaborate eaves, irregular plan, and distinctive original window glazing patterns and surrounds.

### OBJECTIONS

Any person wishing to object to this designation may do so by letter, outlining reasons for the objections and other relevant information. These must be received by the Clerk of the City of Ottawa either by registered mail or personally delivered by the 14th day of June, 1994.

DATED at Ottawa this 14th day of May 1994.

P.G. Pagé  
City Clerk
