SCHEDULE 'A' TO BY-LAW NO. 715-87

SHORT STATEMENT OF THE REASONS FOR

THE PROPOSED DESIGNATION

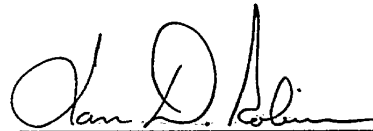

St. Andrew's Presbyterian Church (Streetsville) is recommended for designation on historical and architectural grounds. Historically, the congregation is one of the oldest in the area, being founded in 1821. The present building opened for worship in 1868. The church is typical of the common gable-end, hall-type church built in nineteenth-century Ontario. Although Gothic Revival in inspiration, detailing is restricted to brick buttresses and corbelling, pointed door-and window-heads, and the simple tracery on the central window on the facade, the other windows being devoid of tracery. St. Andrew's spire continues to be a prominent element in the Streetsville skyline. Interior elements considered for designation include the pews, gallery, ceiling beams, wainscotting or dado, choir, bell and windows.
