THE CORPORATION OF THE TOWN OF WHITBY

IN THE MATTER OF THE ONTARIO HERITAGE ACT, R.S.O. 1980, c. 337

AND IN THE MATTER OF THE LANDS AND PREMISES AT THE FOLLOWING
MUNICIPAL ADDRESS IN THE PROVINCE OF ONTARIO

NOTICE OF INTENT TO DESIGNATE

TAKE NOTICE that the Council of the Corporation of the Town of Whitby intends to designate the property, including lands and buildings, at the following municipal address as property of historic or architectural value or interest under Part IV of the Ontario Heritage Act, R.S.O. 1980, c. 337.

Emanuel Sleep House
601 Victoria Street East
Whitby, Ontario

REASONS FOR DESIGNATION OF 601 VICTORIA STREET EAST

Historical

This house was built c. 1870 by Emanuel Sleep. He was considered to be one of the wealthiest farmers in the Whitby area in his lifetime. The Emanuel Sleep House is unique among designated buildings because it is still occupied by descendants of the original owner.

Architectural

The Sleep House is a good example of a farmhouse built in the Gothic Revival Style. The projecting centre gable with its Gothic window, the scroll sawn vergeboard and pointed dormer windows are all features taken from Gothic Revival Architecture. Other Gothic Revival elements still retained include the small paned sash, lowered shutters and contrasting buff brick detailing.

Any person may, before March 8, 1985, send by registered mail or deliver to the Clerk of the Town of Whitby notice of his or her objection to the proposed designation together with a statement of reasons for the objection and all relevant facts. If such notice of objection is received, the Council of the Corporation of the Town of Whitby shall refer the matter to the Conservation Review Board for a hearing.

DATED at the Town of Whitby this 6th day of February, 1985.
