IN THE MATTER OF THE ONTARIO HERITAGE ACT, R.S.O. 1980, AND IN THE MATTER
OF THE LANDS AND PREMISES AT THE FOLLOWING MUNICIPAL ADDRESS IN THE PROVINCE
OF ONTARIO

NOTICE OF INTENTION
TO DESIGNATE

TAKE NOTICE THAT the Council of the Corporation of the City of Trenton
intends to designate the property including lands and buildings at the
following municipal address as a property of both architectural and
historic value under Part IV of the Ontario Heritage Act, R.S.O. 1980.

72 BYRON STREET
TRENTON, ONTARIO

The building known as the residence of Dr. and Mrs. McDonald is a fine
example of a limestone dwelling of Gothic Revival influence with Classical
Revival details. The house is a storey and a half with a lower storey and
a half tail extending from the west side. The structure has a three bay
facade with centre gable which is ornamented with a chamfered finial and
drop. The gable ends of the house are finished with eaves returns. The
windows are casement windows with french doors along the front facade.

The house was constructed by Sheldon Hawley in 1863. Hawley is considered
a founding father of Trenton, having come to the settlement in 1817.
Hawley was engaged in the lumbering industry and mercantile business. He
was largely responsible for the construction of the first bridge across
the Trent River and was instrumental in petitioning the government to
lay out a town site on the west bank of the river. Hawley also served
as reeve of Trenton during 1855.

ANY PERSON MAY within thirty days of the first publication of this Notice,
send by registered mail or deliver to the Clerk Administrator of the City
of Trenton, notice of his or her objection to the proposed designation
together with a statement of the reasons for the objection and all relevant
facts. If such a Notice of Objection is received, the Council of the
Corporation of the City of Trenton shall refer the matter to the
Conservation Review Board for a hearing.

Dated at the City of Trenton this 27th day of April, 1984.
