BY-LAW NUMBER 180-06

Schedule A

Reasons for Designation:

Born in 1834, Charles O'Neil was the eldest son of Daniel O'Neil and Eleanor Davidson, both of whom emigrated as pioneers from Ireland and married in 1833. Daniel O'Neil was the first president of the Paris Agricultural Society and Charles was the president in 1870 and 1880. Charles married Margaret Urquhart and built this home in 1861. The family was also instrumental in having the Sacred Heart Church constructed in 1857. The house is one and a half stories with the following features; all four walls are cobblestone which were very costly to build and most cobblestone houses have only 2 or 3 sides cobblestone; Regency style with hipped roof; centre door with sidelights and transom; roughly dressed corner quoins; and, elongated cobblestone header course above the windows.
