STATEMENT OF SIGNIFICANCE

Adam Betz House
East Half Lot 25, Concession 9
10676 Reesor Road
c.1871

The Adam Betz House is recommended for designation under Part IV of the Ontario Heritage Act as a property of cultural heritage value or interest, as described in the following Statement of Significance.

Description of Property

The Adam Betz House is a one and a half storey frame dwelling located on the west side of Reesor Road, just south of the crossroads of Elgin Mills Road and Reesor Road. The house faces east, and is set far back from the road.

Design or Physical Value

The Adam Betz House is a typical example of a frame, centre-gabled Classic Ontario Farmhouse. The house is simply detailed, with no decorative bargeboards or pointed-arched window in the Gothic Revival centre gable. The flat-headed door and window openings remain in their original size, but now contain modern doors and windows.

Historical or Associative Value

The Adam Betz House has historical value for its association with Adam Betz, a German immigrant that arrived in Markham in the 1870s. Adam Betz was a farmer. His descendants continued to own and farm the property until 1955.

Contextual Value

The house at 10676 Reesor Road remains in a rural setting, and is a significant remnant of the agricultural community surrounding the historic crossroads hamlet of Mongolia, originally known as California Corners.

Significant Architectural Attributes

Exterior character-defining attributes that embody the cultural heritage value of the Adam Betz House include:

- Overall form of the building, including its one and a half storey height, rectangular plan with a one storey rear wing, and the volume of the structure;
- Frame wall construction with the original finish concealed beneath later claddings;
- Medium-pitched gable roof with overhanging eaves and steep centre gable;
- Simple front door opening;
- Flat-headed windows openings, which would likely have originally had wood 2 over 2 sash windows based on the age and style of the house.
