**NOTICE OF
INTENTION
TO DESIGNATE**

To: Ontario Heritage Foundation
77 Bloor Street East
Toronto, Ontario M7A 2R9

Take notice that the Council of
the Corporation of the Town of St.
Marys intends to designate the
property, including lands and
buildings, known municipally as 105-
107 Queen Street as a property of
architectural value or interest under
Part IV of the Ontario Heritage Act,
1974, S.O. Chapter 122.

**Reasons for the Proposed
Designation**

The original (rear) part of this
house was built in 1843 for Thomas
Ingersoll with limestone quarried
from the river bed. As such it is the
oldest house in St. Marys. Thomas
Ingersoll, the first permanent
resident of the St. Marys area, and
his brother, James, were
responsible for the founding of
Little Falls in 1841 when they came
to the site to establish a sawmill and
gristmill.

The front part of this structure,
added in 1910, is one of the last
examples of stone construction in
St. Marys. This house was also the
residence of Miss Lillian Ingersoll,
grand-daughter of Thomas, and
public school teacher to a
generation of St. Marys residents.
Because of its historical association
this structure should be designated
as a living testimony to the
founding days of our town.

Any person may, before the 2nd
day of July, 1987 send by
registered mail or deliver to the
Clerk of the Town of St. Marys
notice of his or her objection to the
proposed designation, together
with a statement of the reasons for
the objection and all relevant facts.
When a Notice of Objection has
been received, the Council of the
Town of St. Marys will refer the
matter to the Conservation Review
Board for a hearing and report.

DATED at St. Marys, this 27th
day of May, 1987.
