SCHEDULE "A"

ALL AND SINGULAR that certain parcel or tract of land and premises situate lying and being in the Town of Ajax, in the Regional Municipality of Durham (formerly in the Township of Pickering, County of Ontario) and being composed of Part of Lot 11 and Part of Lot 12 on Plan 68 and shown as Part 1 on a Plan deposited in the Registry Division of Durham as No. 40R-1136.

23 Elizabeth Street (Part of Lot 11, & Part Lot 12, Plan 68)

- c. 1875

Reasons for Designation:

This property is an excellent example of a Gothic Ontario Cottage. Its tongue and groove pine exterior (shiplap) is in excellent condition - having been protected by insulbrick veneer until recently.

The decorative fascia board on the front gable and a semi-circular window on the rear wall are particularly noteworthy. Restoration work, done in 1930, also included the rebuilding of the verandah, to duplicate the original as closely as possible, and the replacement of a rectangular gable window by a "suicide" door. This home was the first in the village to be equipped with inside plumbing and central heating (c. 1914).
