**Re: Amendment to the Heritage Designations in the City of Kawartha Lakes**

The municipal heritage committee for the City of Kawartha Lakes is currently undertaking a review of all existing heritage designation by-laws. This process has repealed previous designation by-laws that did not comply with the requirements of the Ontario Heritage Act, and has replaced them with updated by-laws which conform to the Act. These changes were intended to ensure that all properties have an appropriate statement of significance, identified heritage attributes, and correct municipal addresses and legal descriptions. Enclosed with this letter are the new by-laws for a number of designated properties which have been reviewed.

For your convenience, the new by-laws, their municipal address, and the community in which they are located are listed in the table below.
