Description of Property

This two storey red brick home is located in the south west corner of Glenelg Street East and Mill Street.

Legal Description:

LOT 2 S GLENELG ST E

PIN: 63233-0029

REASON FOR DESIGNATION

Architectural Design or Physical Value:

This two storey Georgian home was constructed in 1870 with locally made red brick. The building exemplifies the late 19th century Lindsay architectural context. The symmetrical character of this Georgian inspired home is one of its most notable features. The front façade of the home is structured into three bays, with three windows on the second storey and two windows framing the front door on the first storey. The front door is decorated with two sidelight panel windows and a decorative transom above. Because it is situated on a corner lot, the home's Mill street façade is of importance architecturally as well. The home's symmetry extends into this portion of the building featuring eight windows and two doors. The main façade exemplifies true Georgian style, including a wrap-around verandah and supporting columns.

ATTRIBUTES TO BE CONSERVED:

- Hipped roof
