SCHEDULE "B" TO BY-LAW 231-2015

SHORT STATEMENT OF THE REASON FOR THE DESIGNATION OF 44 MILL STREET NORTH:

The property at 44 Mill Street North is worthy of designation under Part IV of the *Ontario Heritage Act* for its cultural heritage value. The property meets the criteria for designation prescribed by the Province of Ontario under the three categories of design or physical value, historical value and contextual value.

Design/Physical Value:

The cultural heritage value of 44 Mill Street North is related to its design and physical value as a Vernacular style estate. The house is a two-storey brick structure with a stone foundation. It has a rectangular plan with multiple rear brick additions. It has a truncated hip roof with cross gables and two brick chimneys. Two two-storey bays are located on both the front façade and south wall. Each bay is topped with a gable that features Tudor elements such as vergeboard, half-timber details and large corner brackets. An in-style enclosed porch has been added to the entry and the south wall overlooking the yard. The windows are one-over-one sash windows and feature brick, and radiating voussiors.

Historical/Associative Value:

The property also has historical value as it is associated with the early history of Brampton. The house was built circa 1875 at the height of the housing construction and population growth. It is also associated with the Graham family, a prominent family in Brampton and the surrounding area. The assessment roll (1877) indicates George Graham as the owner of lots 9 and 10 on Mill Street, with a property value of \$2,700 and three people as occupants. Graham was a Peel County Treasurer of Irish descent. His son, Edward G. Graham, is also associated with the property. E.G. Graham was born in Brampton in 1862. He was a distinguished senior lawyer, honoured with the status of King's Counsel.

The property was also once owned by H. Anne Stirk, sister of prominent veterinarian, Dr. Samuel D. Stirk.

Contextual Value:

The house at 44 Mill Street North also holds contextual value as it defines, maintains and supports the historical character of the Mill Street North streetscape. The street is a

quiet street with mature trees and many late 19th century and early 20th century homes. The neighbourhood is characterized by a "diverse collection of single-detached houses and the occasional semi-detached house from the mid-and-late nineteenth century and early twentieth century, ranging in size from cottages to mansions." The house is surrounded by other listed heritage resources including 39 Mill Street North, the Prairie House at 40 Mill Street North, 44 Nelson Street West, 50 Nelson Street West, and the Copeland Chatterton/Dominion Skate building at 45 Railroad Street. It is also located within close proximity to Downtown Brampton and Brampton's Industrial complex.

DESCRIPTION OF THE HERITAGE ATTRIBUTES OF THE PROPERTY:
