CITY OF HAMILTON  
**Notice of Intention to Designate**

**1389 Progreston Road, Flamborough (Evergreen Farm)**

The City of Hamilton intends to designate 1389 Progreston Road, Flamborough, under Section 29 of the *Ontario Heritage Act*, as being a property of cultural heritage value.

**Statement of Cultural Heritage Value or Interest**

Freeman Green, son of 'Billy Green the Scout', and his wife Harriet Ann Howard purchased the property from James Kievel in 1869. The property included the former owner's four room log house and building, constructed circa 1855, that previously served as a grist mill. In the early 1870s, the Green's added significant additions to the original four room log cabin. Freeman and Harriet started a woolen mill in the former grist mill building. The Progreston Woolen Mill became an important pillar in the local economy as the mill processed wool from local farmers and employed local knitters. In addition to processing wool, the mill also produced yarn and blankets. Operation of the mill was passed through the Green family until it burnt down in 1911. The house is an excellent example of a vernacular residence influenced by the Gothic Revival style and decorative elements. The barn is wood framed with a rubble stone foundation, fitting perfectly into the undulating landscape. The property is important in supporting the historic character of the area and maintaining the historic fabric of the Carlisle area and is physically, visually, and historically linked to its surroundings.

The Statement of Cultural Heritage Value or Interest, Description of Heritage Attributes may be found online via [www.hamilton.ca](http://www.hamilton.ca).
