STATEMENT OF SIGNIFICANCE

Brown's Corners United Church 2830 Highway 7 East 1899

The Brown's Corners United Church is recommended for designation under Part IV of the Ontario Heritage Act as a property of cultural heritage value or interest, as described in the following Statement of Significance.

Description of Property

The Brown's Corners United Church is a one storey brick place of worship located on the north side of Highway 7 East, west of Woodbine Avenue. There is an adjoining historic cemetery, mainly located to the east of the church building.

Historical or Associative Value

The Brown's Corners United Church is of historical or associative value as a long-established place of worship in the historic community of Brown's Corners. The first church was erected in 1843 on land donated by Alexander Brown, a prominent early land owner and farmer in the area. A new church building was constructed in 1899. In 1925, the congregation became a part of the United Church of Canada, and in 1961 the church was added to and remodeled as the congregation grew. In 2009, the property was purchased by the Zion Alliance Church.

Contextual Value

The Brown's Corners United Church is of contextual value as the last remaining heritage building marking the historic crossroads community of Brown's Corners.

Significant Architectural Attributes

Exterior character-defining attributes that embody the cultural heritage value of the Brown's Corners United Church include:

- Overall rectangular form of the 1899 building;
- Fieldstone foundation with basement window openings;
- Steeply pitched gable roof with projecting, overhanging eaves;
- Paired windows on the east and west walls.
