Recitals

1. Section 30.1 of the Ontario Heritage Act, R.S.O. 1990, provides that a Council of a municipality may amend a by-law designating a property within the bounds of a municipality to correct a legal description of a property, clarify the statement of a property's cultural heritage value, or to make it consistent with the requirements of the Act.
2. A notice of the proposed amendment has been served on the owner of the property in accordance with subsection 30.1(4) of the Act.
3. No objection to the proposed amendment has been served on the Clerk of the Municipality.
4. An amendment is required to clarify the statement of cultural heritage value for the property located at 145 King Street and make the by-law consistent with the requirements of the Act.

Accordingly, the Council of The Corporation of the City of Kawartha Lakes enacts this By-law 2020-096.

145 King Street, Woodville – Morrison House

Statement of Cultural Heritage Value

145 King Street, known locally as both Morrison House and Quality Hill House, has architectural value as a representative example of a Victorian residential building. It retains a number of architecturally significant features including: two over two double-hung windows with inlaid brick lintels solid pine window sills and decorative brick surrounds; bay windows; and a stately entrance with transom windows. It also retains decorative gingerbread trim in the gables which is typical of this style of house. Constructed in 1867, the plans for the house came from Scotland and it was considered such a fine structure at the time of its construction that a drawing of it appeared in the 1881 Victoria County Atlas. A decorative medallion in the drawing room ceiling is believed to be based on a design by the prominent eighteenth century Scottish architect, Robert Adam. The property also has historical significance due to its connections to the history of Woodville and the local Scottish community. Morrison House was constructed in 1867 for Scottish immigrant John Morrison, who served as Reeve of Eldon between 1860 and 1861 and was elected to the first Dominion Parliament as the Liberal MP for Victoria North. He was instrumental in changing the name of the village from what was then known as Irish Corners to Woodville. In 1870, a Minister of Parliament from Scotland gave out the land grants in the drawing room of this house to many Scottish immigrants.
