It exhibits design elements of the Gothic Revival architectural style such as a cross gable roof, centre gables with a window opening and verge board, a one-storey bay window with decorative brackets and dichromatic buff brick accents over the door and window openings. The house was constructed in brick with a running bond pattern. It has a fieldstone foundation and is comprised of a one-and-a-half storey principal section and a one and one-and-a-half storey tail addition attached perpendicular to the rear (west) façade of the principal section, creating a 'T'-shaped plan.

**Contextual Value:**
