72 High Street  
Barrie, Ontario  
L4N 1W4**RE: Notice of Repeal of Designating By-Law 90-230 and Notice of Passing of Designating By-Law 2021-004**

Please be advised that on December 14, 2020, City Council passed motion 20-G-238 (below) to repeal By-Law 90-230. As you know, By-Law 90-230, which designates 72 High Street as a heritage building under Section 29 of the *Ontario Heritage Act*, also inadvertently designated 70 High Street as a heritage building. To correct the inadvertent designation of 70 High Street the entirety of By-Law 90-230 was repealed.

To ensure the continued protection of 72 High Street Council passed By-Law 2021-004, a by-law which re-designates 72 High Street as a heritage building under Section 29 of the *Ontario Heritage Act*, on December 14, 2020. The Notice of Repeal of Designating By-Law 90-230, as well as Notice of Passing of Designating By-Law 2021-004, will be posted in the local newspaper shortly. Further, staff will work with the Land Registry Office to advise them of the repeal of By-Law 90-230 as well as the re-designation of 72 High Street via By-Law 2021-004. Further, staff are informing the Ontario Heritage Trust of Council's decision to repeal By-Law 90-230, as well as pass By-Law 2021-004, by way of this letter.

As the re-designation of 72 High Street was only to correct the inadvertent designation of 70 High Street, the contents of the designating By-Law 2021-004 (attached to this letter) are the same as By-Law 90-230, save and except the property description and a few typo corrections.

Please note that no action is required on your part at this time.

Should you have any questions or concerns, please feel free to contact the undersigned.

Sincerely,

Wendy Cooke

3. **Reasons for the Proposed Designation:**

The residence at 72 High Street, known as Maplehurst, was built in 1883 by Nathaniel Dymont for his eldest son, Simon. Maplehurst has both historical and architectural significance.

**Historical Significance**

Since Nathaniel's arrival in 1870, the Dymont family has been an integral part of both the industrial and sporting activity in Barrie.

Nathaniel founded the lumbering conglomerate Mickle-Dymont Lumber Company, and with family members founded and/or directed the Barrie Gas Company Limited; Dymont Foundry Company; Barrie Carriage Company; Barrie Tanning Company; and other local and national enterprises.

Apart from their extensive business operations, the Dymonts were sports enthusiasts and promoters. Nathaniel established the renowned Brookdale Stables for breeding and racing thoroughbred horses, many of which were Queen's Plate winners. Albert was President of the Ontario Jockey Club, and Brookdale's trainer John, is credited with founding the Barrie Colts junior hockey team. Herbert Dymont is in the Canadian Boxing Hall of Fame.

As all of their business sites and private estates are now gone or renovated, Maplehurst remains as the only historic evidence of this once conspicuous and distinguished family.

The roof is a combination of medium gables and high hip with one triangular roof dormer on the east; all with projecting eaves. The decorative work consists of paired carved scrolled cornice brackets and vergeboards with semi-circular open sunburst motifs. The two storey bay on the east has a vaulted roof with a half acorn finial and semi-circular pediment with sunburst motif. Smaller scale brackets appear at the first and second storey cornice levels of the east bay and on the one storey south bay. Except for the roof dormer all windows are segmental with a radiating voussoir and keystone in protruding brick. Each has a double hung sash with a wood moulded frame and wood lug sill.

The most outstanding features of Maplehurst are the interior decorative plasterwork and wood trim. An elaborate plaster cornice with horizontal carved flowers intersected approximately every 60cm by two carved roses and two leaves is in the southwest room and on the ground and second floor (east of central arch only on second floor) centre halls. These areas and the northeast room also have ceiling medallions. Both centre halls have an arch supported by two decorated wall brackets. The northwest and northeast room (which were originally one room) have an elaborate cornice moulding.

The staircase from the ground level centre hall to the second floor is a U-shape with turned balusters and polygonal newels. It has a closed stairwall and two ground floor ceiling drops. The main (east) entrance has a segmental door opening with two sidelights. All other double and single doors have four vertical panels with or without a mid-horizontal moulding. The northeast and northwest rooms and ground level centre hall are trimmed with moulded wood trim in a pilaster-like style with right and left top projections with incised decoration. All other areas have a boxed corner trim. Moulded wood baseboards are throughout. Some fireplaces and interior embellishments have survived.

4. **THAT** the Clerk is hereby authorized to cause a copy of this By-law to be registered against the property described in Section 1 of this By-law in the proper Land Registry Office.
5. **THAT** the Clerk is hereby authorized to cause a copy of this By-law to be served on the owners of the aforesaid property and on the Ontario Heritage Trust and to cause notice of the passing of this By-law to be published in the same newspaper having general circulation in the municipality.
6. **THAT** this By-law shall come into force and effect immediately upon the final passing thereof.

**READ** a first and second time this 11<sup>th</sup> day of January, 2021.

**READ** a third time and finally passed this 11th day of January, 2021.
