NOTICE OF INTENT TO DESIGNATE UNDER THE ONTARIO HERITAGE ACT

Re: Notice of Intent to Designate 11511 Weston Rd. pursuant to Part IV, Section 29 of the *Ontario Heritage Act*.

INTENT TO DESIGNATE UNDER THE *ONTARIO HERITAGE ACT*

Please take notice that the Council of the Corporation of the City of Vaughan intends to designate for reasons of cultural heritage value or interest, pursuant to Part IV, Section 29 of the *Ontario Heritage Act* the property municipally known as **11511 Weston Rd.** in the City of Vaughan, in the Province of Ontario.

REASONS FOR PROPOSED DESIGNATION

The property at 11511 Weston Rd. was once a school known as Bryson School, SS #10. Architecturally, it is a Gothic Revival build, with an L-shaped plan. It has a mixture of pointed arch and rectangular shaped windows, red brick and buff brick quoins and voussoirs, and the horizontal bi-colour brick pattern can be seen near the roofline, as well as in the elevations.

Trustees of the school, Neil Malloy, Alexander Cameron, and Isaac Murray purchased the corner lot from Robert Phillips, and around 1860 a new school building was constructed (the previous school building was built from logs). The school had a capacity of fifty students and was heated by a stove located in the centre of the room. Being a fixture that can be seen near the corner of Weston Road and Kirby Road, it could be understood that it was an identifiable structure and marker within its community. The trustees of the school came together to help build the former school, and this building reflects both their individual success in having the ability to support the endeavour, as well as their commitment to contribute to the development of their community. It is here that the merit of the structure lies, just as much as in the architectural value. Additionally, the building's transition from a school to a residence can serve as an example of adaptive reuse in Vaughan.
