**Schedule "A"**  
**Description and Criteria for Designation**  
**Ordnance Street Terrace**

Civic Address: 114 Ordnance Street

Legal Description: Part Lot 413 Original Survey Kingston City, as in FR627659; S/T & T/W FR627659; Subject to an Easement over Part 1, 13R2702 in Favour of Parts 2-4, 13R2702 as in FC225922; City of Kingston, County of Frontenac

Property Roll Number: 1011 030 070 11800

**Introduction and Description of Property**

The Ordnance Street Terrace, located at 114, 116 and 118 Ordnance Street is located on the south side of Ordnance Street, between Montreal and Sydenham Streets, in the City of Kingston. The terrace consists of three attached two-storey limestone residential buildings on three separate properties. The properties at 116 and 118 Ordnance Street were designated separately. The building was constructed in 1874 for George Wilson, a mason, who rented out two units and resided in one.

**Statement of Cultural Heritage Value/Statement of Significance**

*The property has design value or physical value because it is a rare, unique, representative or early example of a style, type, expression, material or construction method.*

The Ordnance Street Terrace is a representative example of Georgian influenced, 19<sup>th</sup>-century classically balanced urban terraced housing. With little ornamentation, this limestone terrace exemplifies the simple Georgian proportions and symmetrical fenestration pattern that define the Georgian architectural style. The original fenestration pattern consists of six (6) equally proportioned bays on two stories (two per unit), with a door on the eastern bay of each unit. The openings are bordered by smooth stone sills and tall voussoirs. The limestone masonry on the façade is hammer-dressed and laid in even courses, with no quoining or decorative features, and uncoursed on the side elevations. The terrace is topped by a steeply pitched gable roof.

*The property has contextual value because it is important in defining, maintaining or supporting the character of an area.*

*The property has contextual value because it is physically, functionally, visually or historically linked to its surroundings.*

The limestone Ordnance Street Terrace is significant in defining the character of the streetscape on Ordnance Street, between Sydenham and Montreal streets. In the shadow of the former Clergy-lands, now Providence Manor, and terminating at the 1841 Wellington Terrace at Montreal Street, this block of Ordnance Street has a consistent and distinct character consisting of mostly two-storey 19<sup>th</sup> century limestone residences.

With its shallow setback, regular fenestration pattern, limestone construction, age and location on Ordnance Street, the Ordnance Street Terrace shares a visual and historical relationship with its surroundings, particularly the houses at 110-112 Ordnance Street and 124 Ordnance Street/251 Sydenham Street, as well as the stone buildings of Providence Manor. As part of this group of buildings, the Ordnance Street Terrace helps maintain the historic limestone character of this portion of Ordnance Street.

### **Heritage Attributes**

Key exterior elements that contribute to the property's cultural heritage value include its:

- Two-storey, two-bay massing (114) with steeply pitched gable roof;
- Coursed (on the front/north façade) and uncoursed (on the side elevation), squared and hammer-dressed limestone construction; and
- Regular pattern of original window and door openings on the north elevation with stone voussoirs and stone window sills.
