SCHEDULE "B"

TO BY-LAW NO. 296-90

OF THE

CORPORATION OF THE CITY OF CAMBRIDGE

The stone house located at 17 Anglerock Drive was recommended for designation for architectural reasons. The rural Ontario farmhouse is of late georgian design and was probably built in the 1850's. The house is constructed of a granite typical to the region and the workmanship is of good quality.

Reasons for Designation:

Architectural Value

1. it is a well preserved, representative example of a method of construction now rarely used;
2. it terminates a view or otherwise makes an important contribution to the urban composition or streetscape of which it forms a part.

Historic Value

1. it dates from an early period in the development of the City's communities.

The property is more fully described in L.A.C.A.C.'s building description dated May 1990.
