NOTICE OF INTENT TO DESIGNATE UNDER THE ONTARIO HERITAGE ACT

Re: Notice of Intent to Designate 7365 Martin Grove Road pursuant to Part IV, Section 29 of the *Ontario Heritage Act*.

INTENT TO DESIGNATE UNDER THE *ONTARIO HERITAGE ACT*

Please take notice that the Council of the Corporation of the City of Vaughan intends to designate for reasons of cultural heritage value or interest, pursuant to Part IV, Section 29 of the *Ontario Heritage Act* the property municipally known as **7365 Martin Grove Road** in the City of Vaughan, in the Province of Ontario.

REASONS FOR PROPOSED DESIGNATION

7365 Martin Grove Road is a good example of the Queen Anne style. Known as The Lockwood House (the origin of the name is unknown), this building utilizes asymmetrical details, fish-scale detailing in the gable roof, and incorporates a steeply pitched roof with irregular rooflines. In combination with the large size of the building, these elements work together to create a sense of grandeur within the landscape.

7365 Martin Grove Road, built in the 1899, has the potential to yield information that contributes to the understanding of a community. David Johnston arrived in Vaughan from Scotland for a better opportunity, and through hard work not only was able to gain land but also develop a grand residence. The property has the potential to yield an understanding about the perseverance of the early settlers in Vaughan. The Lockwood House served as an early example for innovation in the area, being recorded as the first structure with plumbing.

The subject property located at 7365 Martin Grove Road holds contextual value through the building's historical connection to the area. Although the structure is no longer in the exact location it was originally built, it still remains on Lot 3 and Concession 8, where it was historically situated. The structure is also a reflection of the agricultural and farming past and is an example of the hard work and dedication of David Johnston in establishing a new life in Vaughan.
