## **SCHEDULE 'B' TO BY-LAW 2383**

### **Reasons for Designation Under the Ontario Heritage Act, R.S.O. 1990, Chapter O.18**

#### **St. Clement Church**

##### **General Description of Property**

9567 Walker Road is located on the eastern side of County Road 11, adjacent to 9571 County Road 11, in the settlement area of McGregor.

It is comprised of the St. Clement Church: a large limestone, French-Colonial Revival, Catholic Church that was built in 1903.

##### **Description of Property that has Cultural Heritage Value or Interest**

The area of the property that demonstrates cultural heritage value or interest is the area that includes the St. Clement Church that was built in 1903.

##### **Statement of Cultural Heritage Value or Interest**

###### ***Design/Physical Value***

*The property has design value or physical value because it is a rare, unique, representative or early example of a style, type, expression, material or construction method.*

9567 Walker Road retains significant design or physical value due to it being built in a French-Colonial Revival architectural style. The limestone building was built in 1903 by local French-Catholics to replace an older structure. The architectural style is comparable to other Roman-Catholic churches built in Ontario during the late 19th and early 20th century.

The church is characterized by the limestone walls, the high ceilings in the chapel, the large stained-glass windows, and the area at the front where a large tower would sit.

Architecturally, the church contains decorative embellishments including carved stones, raised quoins, stained glass windows, and an area for a large belltower.

###### ***Historical/Associative Value***

*The property has historical value or associative value because it has direct associations with a theme, event, belief, person, activity, organization or institution that is significant to a community.*

9567 Walker Road retains significant historical or associative value because it has direct associations with an organization and institution that is significant to a community. The church is located on the oldest religious property within the community of McGregor, and it has ties to the French-Catholic community of McGregor and the surrounding rural areas. The St. Clement Church was built to replace an earlier structure in 1903 to accommodate the rapidly growing congregation.

The St. Clements Church is an important institution within the community of McGregor, being the oldest church property within the community. The original church was built in 1879, located where the parking lot now sits. The present church was constructed afterward, finishing in December 1903. The church didn't receive its name until June 1880, once it was blessed and then given the name St. Clement.

###### ***Contextual Value***

*The property has contextual value because it is a landmark.*

9567 Walker Road retains contextual value because it serves as a well-known marker within the community due to both its size and its longstanding history. The church serves as a defining feature of the McGregor community and is important to the French-Catholic community of McGregor
