SCHEDULE 'A' TO BY-LAW 2375
Former Robert Heaton Building
21 King Street East, Harrow, Ontario

Legal Description

RCP 1645 LOTS 59 & 60

SCHEDULE 'B' TO BY-LAW 2378

Reasons for Designation Under the Ontario Heritage Act, R.S.O. 1990, Chapter O.18

Former Robert Heaton Building

General Description of Property

21 King Street East is located on the southeast corner of King Street East and McAfee Street within Harrow. It is comprised of the Robert Heaton Building: a red brick, late 19th century commercial building that was built in 1901.

Description of Property that has Cultural Heritage Value or Interest

The area of the property that demonstrates cultural heritage value or interest is the area that encompasses the entirety of the Robert Heaton Building.

Statement of Cultural Heritage Value or Interest

Design/Physical Value

The property has design value or physical value because it is a rare, unique, representative or early example of a style, type, expression, material or construction method.

21 King Street East retains significant design or physical value because it is a well-preserved representative example of a building built in a late 19th century commercial architectural style and is consistent with the look of Harrow's commercial downtown. The building was built in 1901 by Robert Heaton for his farm implement business in a late 19th century commercial architectural style out of red bricks from a local brickyard.

A late 19th century commercial architectural style is characterized by its mass, form, and shape, along with the building's window shape, flat roof line, and use of red brick. These features can be seen throughout the building at 21 King Street East.

Contextual

The property has contextual value because it is important in defining, maintaining or supporting the character of an area.

21 King Street East retains significant contextual value because it is important in defining, maintaining, and supporting the character of Harrow's commercial downtown. Downtown Harrow includes several buildings which are the earliest building blocks of Harrow's commercial district.

21 King Street East is important in defining, maintaining and supporting the character of downtown Harrow because it is one of the original building blocks of Harrow and is reflective of architecture for late 19th century commercial buildings.

Description of Heritage Attributes

The key heritage attributes that contribute to the design/physical value of 21 King Street East includes:

- The mass, form, and style of the building;
- All existing window openings topped with brick voussoirs and white trim,
- The window shades,
- The red brick cladding in a common brick bond,
- The existing roof line and decorative corbels

The key attributes that contribute to the contextual value of 21 King Street East includes:

- Its location on the southeast corner of King Street East and McAfee Street in Harrow
