HISTORICAL SIGNIFICANCE:

Little is known of the actual history of this house. It is rumoured to have been built by the first Anglican Priest in this region. In the more recent past, it has been the home of a local decoy duck maker, and then the Ontario Cottage Antique Business. The Ancestral RoOf dates this house at 1835. This is a fine example of a Regency Cottage with many basic features like verandah and chimney intact. Certainly one of Millbrook's earliest structures.
