Schedule 1: Statement of Cultural Heritage Value or Interest: 330 Woolwich Street

The red brick and limestone building at 330 Woolwich Street is worthy of designation under Part IV, Section 29 of the Ontario Heritage Act because it meets five of the nine prescribed criteria for determining cultural heritage value or interest, according to Ontario Regulation 9/06 as amended by 569/22. The subject building at 330 Woolwich Street possesses design and physical value, historical and associative value, and contextual value.

Design/Physical Value

330 Woolwich Street meets Criterion 1 because the property is a unique example of a Gothic Revival row house building in Guelph, particularly visible in its stylized and embellished pitched gable roofline, wall dormers, bay windows, carved limestone sills and lintels, limestone quoins, and gingerbread bargeboard.

330 Woolwich Street meets Criterion 2 because the artistically carved limestone quoins, sills, lintels, and keystones display a high degree of craftsmanship.

Historical/Associative Value

330 Woolwich Street meets Criterion 4 because it is directly associated with the contractor and architect Frederick J. Chubb, a significant late nineteenth century architect and builder, with significant works in Guelph, including the Wellington Hotel.

Contextual Value

330 Woolwich Street meets Criterion 7 because the proximity of the Gothic Revival façade to Woolwich Street is important in defining the character of the area.

330 Woolwich Street meets Criterion 9 because it is an architectural landmark on one of Guelph's major thoroughfares and streetscapes.
