**TOWN OF GRIMSBY**

**Notice of Intention to Designate**

**TAKE NOTICE THAT** the Council of the Corporation of the Town of Grimsby intends to designate the following structure to be of cultural heritage value or interest under Part IV of the Ontario Heritage Act:

**ROCK CHAPEL CHURCH  
684 RIDGE ROAD WEST**

**THE REASON** for the proposed designation is to recognize the architectural value of the building in context of its contribution to the heritage character of the Town of Grimsby. The building demonstrates examples of the Gothic elements in its architectural design. Most of its original elements are still intact.

Built in 1873 by its then Methodist congregation, the church was constructed of rock taken from the Niagara Escarpment on which it stands. The church has served many generations of local worshippers from its construction until its final service in June of 2005.

**ANY PERSON** may within thirty days of the publication of this notice, send by registered mail or deliver to the Clerk of The Corporation of the Town of Grimsby his or her objection to the proposed designation, together with a statement of the reasons for the objection and all relevant facts. When a Notice of Objection has been received, the Council of The Corporation of the Town of Grimsby will refer the matter to the Conservation Review Board for a hearing and report.

**FURTHER INFORMATION** respecting the proposed designation is available from the municipality.

**THIS NOTICE PUBLISHED** on the 11<sup>th</sup> day of November 2005.
