This by-law was approved by Guelph City Council on July 22, 2025. Written approval of the by-law was given by Mayoral Decision 2025-A65 dated July 22, 2025.

Schedule 1: Statement of Cultural Heritage Value or Interest: 330 Woolwich Street

The red brick and limestone building at 330 Woolwich Street is worthy of designation under Part IV, Section 29 of the Ontario Heritage Act because it meets five of the nine prescribed criteria for determining cultural heritage value or interest, according to Ontario Regulation 9/06 as amended by 569/22. The subject building at 330 Woolwich Street possesses design and physical value, historical and associative value, and contextual value.

Design/Physical Value

330 Woolwich Street meets Criterion 1 because the property is a unique example of a Gothic Revival row house building in Guelph, particularly visible in its stylized and embellished pitched gable roofline, wall dormers, bay windows, carved limestone sills and lintels, limestone quoins, and gingerbread bargeboard.

330 Woolwich Street meets Criterion 2 because the artistically carved limestone quoins, sills, lintels, and keystones display a high degree of craftsmanship.

Historical/Associative Value

330 Woolwich Street meets Criterion 4 because it is directly associated with the contractor and architect Frederick J. Chubb, a significant late nineteenth century architect and builder, with significant works in Guelph, including the Wellington Hotel.

Contextual Value

330 Woolwich Street meets Criterion 7 because the proximity of the Gothic Revival façade to Woolwich Street is important in defining the character of the area.

330 Woolwich Street meets Criterion 9 because it is an architectural landmark on one of Guelph's major thoroughfares and streetscapes.

Schedule 2: Description of Heritage Attributes: 330 Woolwich St.

The following elements of the property at 330 Woolwich St. should be considered as heritage attributes in a designation under Part IV, Section 29 of the Ontario Heritage Act:

- Location on Woolwich St.
- Two-storey building form
- Side gabled roof
- Front gabled projecting bays
- Original red brick exterior walls
- Carved limestone sills and lintels
- Rusticated limestone quoins
- Limestone door surrounds
- Limestone keystones
- Name and date stone bearing the text, "F.J. Chubb's Terrace 1876."
- Gingerbread bargeboard
- All original window and door openings

It is intended that non-original features may be returned to the documented earlier designs or to their documented original without requiring Council to amend the heritage designation by-law.

Nothing in this bylaw shall be interpreted to require the replication, replacement, or restoration of designated heritage attributes in the event of total loss due to unintentional fire, flood, natural disaster, or other insured peril. The property owner retains the right to rebuild or repair using contemporary materials and methods, provided that any proposed alterations to surviving heritage attributes are reviewed and approved through the heritage permit process in accordance with the Ontario Heritage Act. This bylaw does not impose additional obligations on insurers, nor does it mandate the use of historic materials or construction techniques unless voluntarily undertaken by the owner. The municipality commits to timely review of heritage permit applications related to insurance claims to avoid undue delay in claim resolution.
