Take notice that the Council of the Corporation of the City
of Toronto, on the 30th day of May, 1983, decided to designate
the lands and buildings known municipally as No.9 Wellington
Street West as a property of architectural value or interest,
under the Ontario Heritage Act, R.S.O. 1980, Chapter 337.

Short Statement of Reasons for the Proposed Designation

No.9 Wellington Street West (warehouse) is recommended for design-
ation for architectural reasons. This building is the west half
of the original pair of warehouses built in 1871 by Charles Moore
and Company Importers and Wholesale Grocers, and attributed to
Smith and Gemmell, Architects. The existing facade is the work
of Bond and Smith, Architects, when the building was altered in
1918 for the White Shoe Company Limited. Brick pilasters, stucco
spandrels with inset tiles and brick surrounds divide the large
expanses of factory sash windows. Stone trim at street level and
in the parapet detail complete the architectural composition of
this early expression of design trends in the period. While newer
in form, the facade is important for compatibility with earlier
buildings that make significant contributions to the architectural
importance of the overall group at Yonge and Wellington Streets.

Notice of Objection to the designation may be served on the
Clerk within thirty days of the 14th of June, 1983. (File 2403).

Dated at Toronto this 14th day of June, 1983.
