✓ Ontario Heritage Foundation.

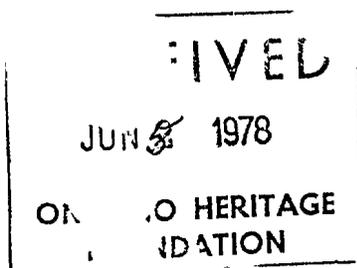

Take notice that the Council of the Corporation of the City of Toronto, on the 23rd and 24th days of May, 1978, decided to designate the lands and buildings, known municipally as No.48 Crescent Road, as a property of architectural and contextual value or interest under The Ontario Heritage Act, 1974, 1974 S.O. Chapter 122.

Short Statement of the Reasons for the Proposed Designation:

The building is recommended for designation for architectural and contextual reasons. Built in 1900 on the Macpherson estate subdivision and designed by S.H. Townsend, it is a good example of the work of an important Toronto architect. It features a recessed arched brick entrance with impost return, distinctive leaded windows and shingled gables. The dry fieldstone wall enhances the property in context with the neighbourhood and the coach-house/garage is a noteworthy auxiliary building.

Notice of objection to the designation may be served on the Clerk within thirty days of the 2nd day of June, 1978. (File 1508).

DATED at Toronto this 2nd day of June, 1978.
