### SCHEDULE 'B'

Reasons for the designation of the Property at No. 49 Front Street East of architectural value.

This building, the easternmost unit of a row of three, is designated on architectural grounds. A unique example of a three-storey cast iron facade fabricated in a local foundry, this warehouse building was erected in 1872 of mill construction with brick masonry walls. A slate mansard roof with a fine decorative dormer completes this rare design and structure.
