SCHEDULE 'A'

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the City of Toronto, in the Municipality of Metropolitan Toronto, formerly in the County of York and Province of Ontario, being composed of Lot 2 on the east side of Beaconsfield Avenue, according to a plan registered in the Registry Office for the Registry Division of Toronto as 937.

SCHEDULE 'B'

Reasons for the designation of the Property at No. 69 Beaconsfield Avenue.

This property is designated on architectural grounds. The steeply pitched gable over a projecting window bay, vertically proportioned windows and doorways and a characteristic brick facade are architectural features of value and interest. It is an integral part of a row of houses which contribute to the impressively representative character of the late eighteenth century in this entire City block between Queen Street West and Argyle Street. It is rare to find a block which has experienced only minor changes in the original architectural form and scale. The significant features of this house are an indispensable part of an important and well-preserved streetscape.
