SCHEDULE "A"
REASONS FOR DESIGNATION

The property at 77 St. Edmund's Drive is recommended for designation under Part IV of the *Ontario Heritage Act* for its cultural resource value or interest. The house is historically significant as the residence of Wilfrid S. Dinnick, a prominent businessman, philanthropist and founder of Lawrence Park Estates. Completed in 1910 by Toronto architects Chadwick and Beckett, the Dinnick House was one of the first built in Lawrence Park, a neighbourhood designed as a garden suburb on the outskirts of Toronto. Architecturally, the house is an excellent example of Period Revival design that faces the ravine along Yonge Street.

The Wilfrid S. Dinnick House is designed in the Period Revival style, highlighted with medieval elements. The heritage features are the 2 1/2 storey asymmetrical plan, the red brick cladding with stone trim and decorative brick detailing, the cross-gable roof with oversized chimneys and stepped gables, the corner entrance surmounted by an oriel widow and gable, the pattern of the fenestration with flat-headed window openings in stone surrounds (some containing leaded glass) and, on the west façade, a two-storey bay window. The 1 1/2 storey garage was custom-designed to complement the house.
