Schedule "A" to By-law No. 93-209

Reasons for Designation  
"Duff House"

Duff House is a fine example of a typical southern Ontario farmhouse in the Gothic revival style, built about the 1870's. The exterior of the house remains almost completely unaltered from its original state, allowing the viewer to appreciate its stone construction, dominant centre gable, limestone lintels, quoins and sills, gable dormers and Gothic windows. The inside of the house has been painstakingly restored by its present owners and has been only slightly altered. The house with its long farm history and intact appearance, is a reminder of Esquesing Township's agricultural origins.
