Dear Madam:

Further to our previous conversations and correspondence concerning the designated property grants segment of the building rehabilitation and improvement campaign.

Kindly find enclosed herewith a copy By-Law No. 36-1984, a by-law passed, designating the gates at Vanastra Park to be of a significant architectural and historical value to the Township of Tuckersmith. We would like to advise that at Vanastra Park, the gates served as one of the first entrances to the R.C.A.F. Base, the first radar training school for the government of Canada after the war and had a significant influence on the development of the Township of Tuckersmith and the surrounding area. We would like to advise further that the base was closed in 1969 and the gates remained one of the remaining features of the former base. We are also enclosing herewith a copy of the ad that will appear in the Clinton News Record, a paper having general circulation in the area for 3 consecutive weeks. I hope that this action of Council meets with your approval.

Should you have any questions concerning this matter, please feel free to contact this office at any time.

Yours truly,

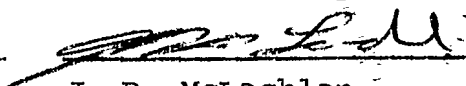

J. R. McLachlan,
Clerk-Treasurer.
