BY-LAW NUMBER 19922

Schedule "B"

Reasons for the designation of the Richard Eade House located at 156 Galloway Road in the Borough of Scarborough as being of historical and architectural value

This House is recommended for designation for architectural reasons. It is a vernacular structure on which the architectural influence is from the Gothic Revival. Recently sandblasted, the original red and cream coloured brick is prominent and adds to the attractive appearance. The bargeboard label and drip mouldings and additive composition are picturesque elements of the Gothic Revival.
